Non-Haz 32

Premium Water-Based Non-Hazardous Hydraulic Fluid

Non-Haz 32 is a specially formulated product that uses only non-hazardous materials. This biodegradable, premium **NON-GLYCOL**, water-based hydraulic fluid was developed for the machine builders who want to offer a complete non-hazardous option to their hydraulic systems. **Non-Haz 32** is a specially formulated product that uses only non-hazardous materials and is biodegradable. If your company is focused on ISO 9001:2015 and wants to improve their standing with the environment and be the leader above the rest, then **Non-Haz 32** is the product for you. **Non-Haz 32** can replace straight oil hydraulic fluid and will reduce temperatures 10% on average. Ask your sales rep on how to changeover to **Non-Haz 32** and improve your overall standing with the environment.

LESS HAZARDOUS does not equal NON-HAZARDOUS!!

- **Meets U.S. Steel Requirement No. 171**
- **Meets ASTM D-2882 Eaton-Vickers V-104-C pump test.**
Cam Ring Wear, mg (< 50.0 mg) **30.0**
Vane Set of 12 Wear, mg **1.0**
- **Passes ASTM D 4172 4-Ball Wear Test**
40 Kg load, Scar Dia., mm⁽²⁾ **0.56**
